The Treasurer may adjust such maturity schedule and principal amounts prior to sale of the Bonds as required by changes in costs of refunding the Prior Bonds to be Refunded, the principal amount of the Outstanding Prior Bonds selected by the Treasurer (or other Authorized Officer in his absence) to be refunded, the timing of bond issuance, or bond market conditions, within the maximum principal amount of \$21,500,000, and with the final maturity date being not later than July 1, 2024. Additionally, the City shall reserve the right to increase or decrease the

aggregate principal amount of the Bonds stated in the notice of sale of the Bonds by not more than \$600,000 after receipt of bids and prior to the award of the Bonds, through adjustments of the principal amount of any one or more maturities selected by the Treasurer (or other Authorized Officer in his absence), provided that such adjustments will be made in increments of \$5,000 not exceeding \$75,000 for any maturity, and subject to the authorized \$21,500,000 maximum aggregate principal amount of the Bonds.

The Bonds shall bear interest at a rate or rates to be determined on public sale thereof, but in any event not exceeding the lesser of 4% per annum, or the maximum rate permitted by law, payable on January 1 and July 1 of each year, commencing January 1, 2014, by check or draft mailed by the Transfer Agent selected by the City to the person or entity which is, as of the 15<sup>th</sup> day of the month preceding the interest payment date, the registered owner at the registered address as shown on the registration books of the City maintained by the Transfer Agent. The date of determination of the registered owner for purposes of payment of interest as provided in this paragraph may be changed by the City to conform to market practice in the future. The Bonds shall be sold at not less than 99% of their par value, nor more than 102% of their par value.

The Bonds may be issued in book-entry-only form through The Depository Trust Company in New York, New York ("DTC") and the Mayor, City Clerk and Treasurer are severally authorized to execute such custodial or other agreement with DTC as may be necessary to accomplish the issuance of the Bonds in book-

entry-only form and to make such changes in the form of Bonds within the parameters of this Ordinance as may be required to accomplish the foregoing.

The Bonds shall not be subject to optional redemption prior to maturity.

The Bonds may be designated as term bonds and subject to annual mandatory redemption as set forth in the form of Notice of Sale contained herein.

In case less than the full amount of an outstanding Bond is called for redemption, the Transfer Agent upon presentation of the Bond called in part for redemption shall register, authenticate and deliver to the registered owner a new bond in the principal amount of the portion of the original bond not called for redemption.

The Bonds shall be executed in the name of the City with the manual or facsimile signature of the Mayor and the manual signature of the City Clerk, and shall have the City's seal (or a facsimile thereof) printed or impressed on them. No Bond shall be valid until authenticated by an authorized signor of the Transfer Agent. The Bonds shall be delivered to the Transfer Agent for authentication and be delivered by the Transfer Agent to the purchaser in accordance with instructions from the Treasurer of the City upon payment of the purchase price for the Bonds in accordance with the bid therefor when accepted. Executed blank bonds for registration and issuance to transferees may simultaneously, and from time to time thereafter as necessary, be delivered to the Transfer Agent for safekeeping.

Section 5. Registration and Transfer. Any Bond may be transferred upon the books required to be kept pursuant to this section by the person in

whose name it is registered, in person or by the registered owner's duly authorized attorney, upon surrender of the Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the transfer agent. Whenever any Bond or Bonds shall be surrendered for transfer, the City shall execute and the transfer agent shall authenticate and deliver a new Bond or Bonds, for like aggregate principal amount. The Transfer Agent shall require payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer. The Transfer Agent shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 14 of this Ordinance and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The City shall give the Transfer Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

The Transfer Agent shall keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the City; and, upon presentation for such purpose, the Transfer Agent shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred, on said books, Bonds as hereinbefore provided.

If any Bond shall become mutilated, the City, at the expense of the holder of the Bond, shall execute, and the Transfer Agent shall authenticate and deliver, a new Bond of like tenor in exchange and substitution for the mutilated Bond, upon surrender to the Transfer Agent of the mutilated Bond. If any Bond issued under this Ordinance shall be lost, destroyed or stolen, evidence of the loss, destruction or theft may be submitted to the Transfer Agent and, if this evidence is satisfactory to both and indemnity satisfactory to the transfer Agent shall be given, and if all requirements of any applicable law including Act 354, Public Acts of Michigan, 1972, as amended ("Act 354"), being sections 129.131 to 129.135, inclusive, of the Michigan Compiled Laws have been met, the City, at the expense of the owner, shall execute, and the Transfer Agent shall thereupon authenticate and deliver, a new Bond of like tenor and bearing the statement required by Act 354, or any applicable law hereafter enacted, in lieu of and in substitution for the Bond so lost, destroyed or stolen. If any such Bond shall have matured or shall be about to mature, instead of issuing a substitute Bond the Transfer Agent may pay the same without surrender thereof.

Section 6. Payment of Bonds. The Bonds and the interest thereon shall be payable solely from the Net Revenues, and to secure such payment, there is hereby created a statutory lien upon the whole of the Net Revenues which shall be a first lien to continue until payment in full of the principal of and interest on all Bonds payable from the Net Revenues, or, until sufficient cash or Sufficient Government Obligations have been deposited in trust for payment in full of all Bonds of a series then outstanding, principal and interest on such

Bonds to maturity, or, if called for redemption, to the date fixed for redemption together with the amount of the redemption premium, if any. The first lien referred to herein shall be equally shared and be a first priority with the City's Outstanding Bonds which are not being refunded by the Bonds . Upon deposit of cash or Sufficient Government Obligations, as provided in the previous sentence, the statutory lien shall be terminated with respect to that series of Bonds, the holders of that series shall have no further rights under this Ordinance except for payment from the deposited funds, and the Bonds of that series shall no longer be considered to be outstanding under this Ordinance.

Section 7. Bondholders' Rights; Receiver. The holder or holders of the Bonds representing in the aggregate not less than twenty percent (20%) of the entire principal amount thereof then outstanding, may, by suit, action, mandamus or other proceedings, protect and enforce the statutory lien upon the Net Revenues of the System, and may, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the officers of the City, including the fixing of sufficient rates, the collection of Revenues, the proper segregation of the Revenues of the System and the proper application thereof. The statutory lien upon the Net Revenues, however, shall not be construed as to compel the sale of the System or any part thereof.

If there is a default in the payment of the principal of or interest on the Bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate the System on behalf of the City and under the direction of the Court, and by and with the approval of the court to perform all of

the duties of the officers of the City more particularly set forth herein and in Act 94.

The holder or holders of the Bonds shall have all other rights and remedies given by Act 94 and law, for the payment and enforcement of the Bonds and the security therefor.

Section 8. Management; Fiscal Year. The operation, repair and management of the System shall be under the supervision and control of the City Council and the Fiscal Year for the System shall commence on July 1 of each year and end on June 30 of the following year. The City may employ such person or persons in such capacity or capacities as it deems advisable to carry on the efficient management and operation of the System. The City may make such rules and regulations as it deems advisable and necessary to assure the efficient management and operation of the System.

Section 9. Rates and Charges. The rates and charges for service furnished by and the use of the System and the methods of collection and enforcement of the collection of the rates shall be those in effect on date even herewith, as the same may be increased from time to time.

Section 10. No Free Service or Use. No free service or use of the System, or service or use of the System at less than the reasonable cost and value thereof, shall be furnished by the System to any person, firm or corporation, public or private, or to any public agency or instrumentality, including the City.

Section 11. Fixing and Revising Rates. The rates presently in effect in the City are estimated to be sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of the System as are necessary to preserve the System in good repair and working order, to provide for the payment of the principal of and interest on the Bonds as the same become due and payable, and the maintenance of the reserve therefor and to provide for all other obligations, expenditures and funds for the System required by law and this Ordinance. The rates shall be reviewed not less than once a year in March and shall be fixed and revised from time to time as may be necessary to produce these amounts, and it is hereby covenanted and agreed to fix and maintain rates for services furnished by the System at all times sufficient to provide for the foregoing.

Section 12. Bond Reserve Fund. The Reserve Account in the Bond and Interest Redemption Fund, as established and supplemented by the Outstanding Ordinances shall be maintained in such amounts so that said Bond Reserve Account shall total a sum equal to the lesser of (a) such amount as is equal to the largest annual principal and interest requirements on the Bonds, (b) 10% of the principal amount of the Bonds, or (c) 125% of the average annual principal and interest requirements on the Bonds. In the event that the amount in said Reserve Account is greater than the lesser of such amounts, such excess amount shall be promptly transferred to the Receiving Fund.

Section 13. Bond Proceeds. The proceeds of sale of the Bonds shall be allocated and used as follows:

First, accrued interest, if any, shall be deposited into the Bond and Interest Redemption Fund established by the Outstanding Ordinances; and

Second, the balance of the proceeds of the Bonds (including net original issue premium, if any), together with moneys transferred by the Treasurer at the time of issuance of the Bonds from the debt retirement funds for the Prior Bonds to be Refunded, shall be deposited in an escrow fund or funds (the "Escrow Fund") consisting of cash and/or investments in direct obligations of or obligations of the principal of and interest on which are unconditionally guaranteed by the United States of America or other obligations the principal of and interest on which are fully secured by the foregoing not redeemable at the option of the issuer in amounts fully sufficient to pay the principal, interest and redemption premiums on all of the Prior Bonds to be Refunded, and shall be used only for such purposes. The Escrow Fund shall be held by an institution appointed by the Treasurer to serve as Escrow Agent (the "Escrow Agent"). The Treasurer (or other Authorized Officer in his absence) is authorized to negotiate and to execute and deliver an Escrow Agreement with such Escrow Agent on behalf of the City, consistent with the provisions of this Ordinance (the "Escrow Agreement"). If deemed necessary or advisable by the Treasurer, the Escrow Fund may consist of two or more separate funds as provided in the Escrow Agreement. The Escrow Agreement shall irrevocably direct the Escrow Agent to take all necessary steps to pay the principal of and interest on the Prior Bonds to be Refunded when due and to call the Prior Bonds to be Refunded for redemption on the first call date, as specified by the Treasurer. The amounts held in the Escrow Fund shall be such that the cash and investments and income received thereon will be sufficient without reinvestment to pay the principal, interest and redemption premiums on the Prior Bonds to be Refunded when due at maturity or by call for redemption as required by the Sales Order. The Escrow Fund shall be dissolved upon the redemption of all outstanding Prior Bonds to be Refunded. The remaining proceeds of the Bonds shall be used to pay the costs of issuance of the Bonds. Any proceeds in excess of the proceeds deposited in the Escrow Fund required for the refunding or to pay costs of issuance shall be deposited in the Bond and Interest Redemption Fund and used to pay interest on the Bonds on the next available interest payment date. Following establishment of the Escrow Fund, any amounts remaining in the debt retirement funds for the Prior Bonds to be Refunded shall be transferred to the Bond and Interest Redemption Fund for the Bonds or shall be transferred to the Escrow Fund.

Section 14. Bond Form. The Bonds shall be in substantially the following form:

Any such designation must be made within 24 hours of the bond sale. The amounts of the maturities which are aggregated in any such designated term bond shall be subject to mandatory redemption on July 1 of the years and in the amounts as set forth in the foregoing maturity schedule at a redemption price of par, plus accrued interest, to the date of mandatory redemption.

**ADJUSTMENTS TO MATURITY SCHEDULE AND PURCHASE PRICE FOLLOWING SALE:** The City reserves the right to increase or decrease the aggregate principal amount of the bonds by not more than \$600,000 after receipt of bids and prior to the award of the bonds, through adjustments of the principal amount of any one or more maturities selected by the City, provided that such adjustments will be made in increments of \$5,000 not exceeding \$75,000 for any

maturity, and subject to a maximum aggregate principal amount of the bonds of \$21,500,000. In the case of any such adjustments, the purchase price of the bonds submitted by the bidder to whom the bonds are to be awarded will be adjusted proportionately to the adjustment in the principal amount of the bonds and in such manner as to maintain as comparable an underwriter spread as possible to that contained in the bid.

OPTIONAL REDEMPTION: The Bonds shall not be subject to optional redemption prior to maturity.

INTEREST RATE AND BIDDING DETAILS: Bonds will bear interest at a rate or rates not exceeding 4.0% per annum, to be fixed by the bids therefor, expressed in multiples of 1/8 or 1/20 of 1%, or both. THE RATE OF INTEREST BORNE BY ANY ONE MATURITY OF BONDS SHALL NOT BE LESS THAN THE INTEREST RATE BORNE BY THE PRECEDING MATURITY, AND SHALL NOT EXCEED THE INTEREST RATE BORNE BY ANY PRECEDING MATURITY BY MORE THAN 3.0%. The interest on any one bond shall be at one rate only, and all bonds maturing in any one year must carry the same interest rate. No proposal for the purchase of less than all of the Bonds or at a price less than 99% of their par value nor more than 102% of their par value will be considered. See "ADJUSTMENTS TO MATURITY SCHEDULE AND PURCHASE PRICE FOLLOWING SALE."

TRANSFER AGENT AND REGISTRATION: Principal and interest shall be payable at the principal corporate trust office of \_\_\_\_\_, \_\_\_\_\_, Michigan, or such other transfer agent as the City may thereafter designate by notice mailed to the registered owner not less than 60 days prior to any change in transfer agent and which shall be qualified to serve as such in Michigan. Interest shall be paid when due by check or draft mailed to the owner as shown by the registration books of the City as of the 15th day of the month prior to any interest payment date. The Bonds will be transferable only upon the registration books of the City kept by the transfer agent. See "DTC Book-Entry Only" above.

PURPOSE AND SECURITY: The bonds are issued under the provisions of Act 94, Public Acts of Michigan, 1933, as amended (the "Act"), and various ordinances of the City, including Ordinance Nos. 85, as amended, and \_\_\_ - 13 (the "Ordinances"), for the purpose of refunding outstanding revenue bonds of the City issued under the Act for the City's Sewage Disposal System (the "System"). The bonds are payable solely from the net revenues of the System and any additions thereto, and a statutory first lien on said revenues has been established by said Ordinances. The bonds and said lien are of equal standing with the following series of the City's bonds: Sewage Disposal System Revenue Bonds, Series XIX, dated February 1, 2004, Sewage Disposal System Revenue Bonds, Series 2004-A, dated March 25, 2004, Sewage Disposal System Revenue Bonds, Series 2004-B, dated December 16, 2004, Sewage Disposal System Revenue Bonds, Series 2006-A, dated March 30, 2006, Sewage

Disposal System Revenue Bonds, Series 2007-A, dated March 29, 2007, Sewage Disposal System Revenue Bonds, Series 2007-B, dated December 14, 2007, Sewage Disposal System Revenue Bonds, Series 2008-A, dated April 30, 2008, Sewage Disposal System Revenue Bonds, Series 2009-A, dated April 17, 2009, Sewage Disposal System Revenue Bonds, Series 2010-A, dated April 1, 2010, Sewage Disposal System Revenue Bonds, Series 2011-A, dated April 8, 2011, Sewage Disposal System Revenue Bonds, Series 2012-A, dated April 10, 2012, and Sewage Disposal System Revenue Bonds, Series 2012-B, dated June 26, 2012. The bonds do not constitute a general obligation of the City. The City has covenanted and agreed to fix and maintain at all times while any of such bonds shall be outstanding such rates for service furnished by the System as shall be sufficient to provide for payment of the necessary expenses of operation, maintenance and administration of the System, of the principal and interest on all of said bonds when due, to create and maintain a bond reserve account therefor, and to provide for such other expenditures and funds for the System as are required by said Ordinances.

The rights or remedies of bondholders may be affected by bankruptcy, insolvency, fraudulent conveyance or other laws affecting creditors' rights generally now existing or hereafter enacted and by the application of general principles of equity including those relating to equitable subordination.

ADDITIONAL BONDS: For the terms upon which additional bonds of equal standing with the bonds of this issue as to revenues of the System may be issued reference is made to the above described Ordinances.

GOOD FAITH DEPOSIT: A deposit in the amount of 2% of the final principal amount of the bonds is required as a guarantee of good faith on the part of the bidder, to be delivered to the Treasurer of the City in the form of a cashier's check (or wire transfer of such amount as instructed by the City or its financial advisor) by Noon Eastern Time of the next business day following the sale, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. The good faith deposit will be applied to the purchase price of the bonds. No interest shall be allowed on the good faith deposit. Payment for the balance of the purchase price of the bonds shall be made on the delivery date.

AWARD OF BONDS: The Bonds will be awarded to the bidder whose bid produces the lowest true interest cost determined in the following manner: the lowest true interest cost will be the single interest rate (compounded on January 1, 2014 and semi-annually thereafter) necessary to discount the debt service payments from their respective payment dates to \_\_\_\_\_ 1, 2013 (the anticipated date of delivery of the bonds) in an amount equal to the price bid.

LEGAL OPINION: Bids shall be conditioned upon the unqualified approving opinion of Dykema Gossett PLLC, attorneys of Bloomfield Hills, Michigan, and the original of which will be furnished without expense to the purchaser of the

bonds at the delivery thereof. The fees of Dykema Gossett PLLC for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue its approving opinion as to the validity of the bonds, Dykema Gossett PLLC has not examined or reviewed any financial information, statements or material contained in any financial documents, statements or material that have been or may be furnished in connection with the authorization, issuance or marketing of the bonds, and accordingly will not express any opinion with respect to the accuracy or completeness of any such financial information, statements or materials.

CUSIP NUMBERS: CUSIP numbers will be imprinted on the bonds at the City's expense. The printing of incorrect CUSIP numbers or the failure to print CUSIP numbers on the bonds shall not constitute cause for the purchaser to refuse delivery of or to pay for the bonds. The purchaser shall be responsible for requesting assignment of numbers and for the payment of any charges for the assignment of numbers.

DELIVERY OF BONDS: The City will furnish bonds ready for execution at its expense. Bonds will be delivered at the principal office of the Bond Registrar, or any other place mutually agreeable, at the expense of the City. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of delivery of the bonds. If the bonds are not tendered for delivery by twelve o'clock noon, Eastern Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw its proposal by serving written notice of cancellation on the undersigned, in which event the City shall promptly return the good faith deposit. Payment for the bonds shall be made in Federal Reserve Funds. The bonds will be delivered in the form of a single certificate for each maturity registered as described above under "DTC Book-Entry Only." The successful bidder will be required to furnish, prior to and as a condition to the delivery of the bonds, in forms to be prepared by bond counsel: (i) a certificate as to the "issue price" of the bonds within the meaning of section 1273 of the Internal Revenue Code of 1986, as amended, and (ii) if the successful bidder obtains a municipal bond insurance policy or other credit enhancement for the bonds in connection with their original issuance, a certificate that the premium therefor will be less than the present value of the interest expected to be saved as a result of such insurance or other credit enhancement.

TAX MATTERS: The approving opinion of bond counsel will include an opinion to the effect that, under existing law, assuming compliance by the City with certain covenants, (i) interest on the bonds is excluded from gross income for federal income tax purposes and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations (provided that certain corporations must take into account interest on the bonds in determining adjusted current earnings for the purpose of computing such

alternative minimum tax). Such opinion will further state that under existing law the bonds and the interest thereon are exempt from all taxation provided by the laws of the State of Michigan, except estate taxes and taxes on gains realized from the sale, payment or other disposition thereof.

**NOT QUALIFIED TAX EXEMPT OBLIGATIONS:** The bonds have NOT been designated as “QUALIFIED TAX-EXEMPT OBLIGATIONS” for purposes of the deduction of interest expense by financial institutions.

**OFFICIAL STATEMENT:** A copy of the Official Statement may be obtained by contacting Stauder, BARCH & ASSOCIATES, Inc., Financial Consultant to the City, 3989 Research Park Drive, Ann Arbor, Michigan 48108, telephone 734-668-6688.

The Official Statement is in a form deemed final as of its date by the City for purposes of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion of a final Official Statement. The successful bidder shall supply to the City, within 24 hours after the award of the bonds, all pricing information and any underwriter identification determined by the City to be necessary to complete the Official Statement.

The City will furnish to the successful bidder, at no cost, a reasonable number of copies of the final Official Statement within seven (7) business days after the award of the bonds. Additional copies will be supplied upon the bidder's agreement to pay the cost of the City for those additional copies. **CONTINUING DISCLOSURE:** The City has undertaken to provide continuing financial disclosure (annual financial information and operating data, including audited financial statements for the preceding fiscal year consistent with the information presented in the Official Statement), and to provide timely notice of the occurrence of certain material events with respect to the Bonds, all in accordance with the requirements of SEC Rule 15c2-12.

**BOND INSURANCE AT PURCHASER'S OPTION:** If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the bidder/purchaser, the purchase of any such insurance policy or the issuance of any such commitment shall be at the sole option and expense of the

purchaser of the Bonds. Any increased costs of issuance of the Bonds resulting from such purchase of insurance shall be paid by the purchaser, except that, if the City has requested and received a rating on the Bonds from a rating agency, the City will pay the fee for the requested rating. Any other rating agency fees shall be the responsibility of the purchaser. FAILURE OF THE MUNICIPAL BOND INSURER TO ISSUE THE POLICY AFTER THE BONDS HAVE BEEN AWARDED TO THE PURCHASER SHALL NOT CONSTITUTE CAUSE FOR FAILURE OR REFUSAL BY THE PURCHASER TO ACCEPT DELIVERY OF THE BONDS FROM THE CITY.
